Beyond the simple amusement of the average visitor in the fair, Succi also brought to the fore deep disagreements in the local context. Article 3.

AustrianMuseumofLiterature.Inthesecondhalfofthe19thcentury,thecit See reference in Campbellp. These issues should be examined in any given case not just once but over time, as custody and control of a festival are often contested or multiple and can change, at times rapidly, as examples discussed later demonstrate. Valencia has one of the mildest winters in Europe, owing to its southern location on the Mediterranean Sea and the Foehn phenomenon; the January average is comparable to temperatures expected for May and September in the major cities of northern Europe.
